

What is the course about?

The course will inspire and enthuse you to become technology savvy – producers of technology products and systems and not just consumers, it will give you the opportunity to gain a broad understanding and knowledge of the Information Technology sector and some aspects of the creative industries. You will gain plenty of practical experience along the way and develop your employability skills and knowledge in the IT industry.

What are the entry requirements?

4 GCSEs grade A to D.

What Subjects will I study?

You will study 3 Mandatory subjects:

- The Online World
- Technology Systems
- Digital Portfolio computing in the workplace

You will also study a further 5 subjects which are internally assessed including:

- Creating Digital Graphics
- Website Development
- Installing and Maintaining Computer Hardware
- Installing and Maintaining Computer Software
- Computer Networks

How will I be assessed?

You will be assessed by assignments, practical activities, including presentations, and project work and external assessments.

What are my progression and career options?

Employment or further UCM Level 3 courses.
