
City and Guilds Level 3 NVQ Diploma in Hairdressing

What is the course about?

This qualification is designed for hairdressers working dependently in the salon and supports others in their role in the salon. You will experience all aspects of creative practical hairdressing skills and complete units required by City & Guilds. You will get involved in the buzz of the training salon with a regular clientele.

The course is practically based with the necessary theory of underpinning knowledge to ensure complete understanding of all aspects of Hairdressing.

What are the entry requirements?

- You must be working in salon employment as a stylist
- NVQ level 2 ladies hairdressing qualification.
- There are no academic entry requirements, but you will need a good understanding of English
- You should have a degree of artistic skill and flair
- A wiliness to learn
- A positive attitude
- Excellent communication skills

Course fees

Course fees are inclusive of tuition, assessment and registration fees. (Please see current prospectus). Additional fees will be required for salon uniform, relevant kit equipment and text book

How long is the course?

32 weeks - 6 hours per week

What subjects will I study?

- Provide a client consultation services
- Creative cutting hair using a combination of techniques
- Creative colour and lighten hair
- Creatively style & dress hair
- Hair Colour correction service
- Contribute to the Financial effectiveness of the business
- Develop, enhance & evaluate your creative hairdressing skills
- Cut men's hair using basic techniques

How will I be assessed?

The practical assessments will be achieved within the Synnova training salon throughout the course. The underpinning knowledge is assessed by oral questions and externally set Evolve multiple choice papers on-line.

What are my progression and career options?

Employment or managing salons worldwide, on cruise ships, as a mobile therapist and teaching.
