
OCR level 3 Technical Level Diploma in Engineering (Electrical)

What is the course about?

This qualification will develop skills and knowledge for those apprentices currently serving in industry.

What are the entry requirements?

GCSE Grade C's in Mathematics, Science, and English.

What I will study?

- Mathematics for Engineering (mandatory)
- Science for Engineering (mandatory)
- Principles of Electronic and Electrical Engineering (mandatory)
- Electrical and Electronic Design
- Circuit Simulation and Manufacture
- Electrical Devices
- Electrical Operations
- Automation, Control and Robotics
- Maintenance

How will I be assessed?

The three mandatory units will be assessed by external examinations.

All other units will be assessed by an end of unit assignment.

What are my progression and career options?

HNC

Who should I contact?

For further information or to arrange a personal visit to the College, please contact the Engineering Programme Area Secretary, Tel. 648300.
