
Ship Superintendents' Training Course

Start Date: 23rd March 2019 – 31st March 2019 **Venue:** The Nunnery

What is the course about?

This intense 9 day course provides all the knowledge, tools, skills and insight to make the transition for ship to shore-based employment.

Designed for newly appointed superintendents, or senior sea staff looking to come ashore, it provides an excellent foundation in all aspects of ship operation and is therefore beneficial for candidates from all sectors of the maritime industry

This unique course is endorsed by DNV-GL and is held twice yearly. It is led and coordinated by maritime consultants, EMCS International Ltd, and delivered by a wide range of industry experts. Approved by IMarEST and the Nautical Institute, it is supported by the Isle of Man Ship Registry and a number of local ship management companies. Following a successful assessment, certificates endorsed by DNV-GL and IMarEST are awarded to candidates who can also claim 68 CPD points.
