### What is the course about?

Have you ever wanted to learn how to act? Have you ever wanted to try acting but lacked the confidence or even known where to begin? Do you take part in amateur productions but want to explore your craft further and develop your acting skills outside of the rehearsal room? Well this is the course for you! This course is designed for anyone who would like to develop their acting skills further.

### Previous experience:

No previous experience is required. Everybody welcome.

### General Information:

The times advertised for courses, especially 1-day and short courses, will normally include break(s) and a lunch period, as appropriate, and by agreement with the tutor at the sessions.

Students attending one-day workshops might like to note that there are hot/cold drinks and snack vending machines (crisps, sweets, chocolate, biscuits etc) in the College Refectory, which will be open during the day, but there are no sandwiches etc available, so students might like to bring a packed lunch with them, which can be consumed in the Refectory.

Some venues may have restricted parking facilities, disc parking etc, so please also be aware of this.
