### What is the course about?

An introduction into the basics of drawing, printmaking and mixed media. Students are encouraged to experiment with drawing, painting, colour, and collage. The course will begin with an introduction into drawing and various printmaking techniques, focusing on lino, monoprint and collagraph. Students will be able to create a portfolio of skills, and use these skills to create final outcomes such as personal and individual greetings cards, wedding and party invites, or artwork for the home.

Flowers and plant life will be provided for drawing purposes, but if students would like to draw something else then you are more than welcome to bring in your own objects.

### Previous experience:

No previous experience required, all welcome.

### Equipment you need to bring:

Paper  
Cartridge paper  
Coloured papers  
Tissue paper  
Charcoal  
Colouring pencils  
Pens  
Felt tips  
Acrylic paint  
Watercolour paints  
Paintbrushes

Please note - students do not need to bring every single item, but you need to have a wide range of materials with which to experiment and to draw with.

### General Information:

The times advertised for courses, especially 1-day and short courses, will normally include break(s) and a lunch period, as appropriate, and by agreement with the tutor at the sessions.

Students attending one-day workshops might like to note that there are hot/cold drinks and snack vending machines (crisps, sweets, chocolate, biscuits etc) in the College Refectory,

which will be open during the day, but there are no sandwiches etc available, so students might like to bring a packed lunch with them, which can be consumed in the Refectory.

Some venues may have restricted parking facilities, disc parking etc, so please also be aware of this.
