| <b>Number of Weeks / Sessions</b> | 1 day   |

### What is the course about?

A one-day workshop exploring Wet Felt Making. Students will make a range of items using 2D and 3D techniques as well as making balls and rope from wool. Demonstration/practical course. All materials provided.

### Previous experience:

No previous experience required. Everybody is welcome.

### Equipment you need to bring:

An apron and an old towel, otherwise all materials provided.

### General Information:

The times advertised for courses, especially 1-day and short courses, will normally include break(s) and a lunch period, as appropriate, and by agreement with the tutor at the sessions.

Students attending one-day workshops might like to note that there are hot/cold drinks and snack vending machines (crisps, sweets, chocolate, biscuits etc) in the College Refectory, which will be open during the day, but there are no sandwiches etc available, so students might like to bring a packed lunch with them, which can be consumed in the Refectory.

Some venues may have restricted parking facilities, disc parking etc, so please also be aware of this.

### Who should I contact?

For further information, please contact the Programme Area Secretary on 648204.
