

GENERAL INTEREST

ASTRONOMY

AN INTRODUCTION TO ASTRONOMY

This course looks at the wonders of the Manx Night Sky and Man's exploration of the Universe. It is suitable for either the casual or serious stargazer. Prior knowledge is not essential – just an enquiring mind. Leaflet available. *Please note that these 12 weeks are spread out from October to March. See leaflet for proposed dates.

THE 2020 MANX NIGHT SKY

What does the Manx night sky have in store for us in 2020? This course will look at the monthly phenomenon that will be visible in our skies throughout 2020 and will include a detailed review of both the monthly and seasonal variations. Also included will be a study of the year's best meteor showers and the prospects for seeing eclipses. The course will suit anyone interested in astronomy and requires no prior knowledge. Leaflet available.

BRIDGE

BRIDGE FOR BEGINNERS

This course will introduce you to the wonderful social card game of Bridge. It is a complete beginners' course, so no prior knowledge is needed. Bridge is a partnership game so you will play with other class members and learn about the card play and the bidding system. Bridge is a wonderful way to meet people and keep your mind active. It is a low-cost activity played socially around the island and the world. Tuition is by an English Bridge Union Teacher.

BEGINNERS BRIDGE, THE NEXT STEP

This course continues the learning achieved in the beginner's course and welcomes new people who have learned the basics of the game and are ready to improve their knowledge and ability.
