What is the course about?

Learn to focus the mind as you exercise your body. The Pilates Technique teaches a unique method of body control, posture, flexibility and balance which is suitable for all, in everyday life and can also be of benefit to sportsmen and women to help reduce the risk of injury and strain. Course suitable for men and women of all ages, abilities and fitness levels who wish to enhance existing Pilates knowledge or skills. Includes the use of some Pilates Studio Equipment.

Previous experience:

Previous experience of Pilates is required.

Equipment you need to bring:

All equipment will be provided, but students are welcome to bring their own yoga mat, if preferred, and are recommended to wear comfortable clothing, & plimsolls/trainers.

General Information:

The times advertised for courses, especially 1-day and short courses, will normally include break(s) and a lunch period, as appropriate, and by agreement with the tutor at the sessions.

Students attending one-day workshops might like to note that there are hot/cold drinks and snack vending machines (crisps, sweets, chocolate, biscuits etc) in the College Refectory, which will be open during the day, but there are no sandwiches etc available, so students might like to bring a packed lunch with them, which can be consumed in the Refectory.

Some venues may have restricted parking facilities, disc parking etc, so please also be aware of this.

Who should I contact?
