**Student Grants You may qualify for a grant from Student Awards. This grant may cover course fees and you may be entitled to a grant to help with living costs. You will have to meet specific criteria, for more information please visit https://www.gov.im/student-grants or make an appointment with Student Services by calling 648254 or email abbie.wright@ucm.ac.im NB: You do not have to wait to be offered a place on a course before completing your grant application. Being given a place on a course does not guarantee grant support.			You cannot apply for a grant from Student Awards for an apprenticeship course
I am going to have to pay course fees: You will need to pay your fees each year from the date you enrol as a student; you will be invoiced soon after starting your course. If you want to pay by instalments, an instalment application will need to be assessed by the Finance Manager. If you withdraw from your course you may still have to pay course fees, and DSC benefit based withdrawals will still attract full administration charges.
