What you will need:

Access to Wi-Fi, the college website and a device that can create digital learning content*

Examples of digital learning methods:

- Podcast.
- Video.
- Infographic.
- Article.
- PowerPoint/other creative tool.
- Social media.
- Chat groups.
- Knowledge testing tools such as surveys.

*Digital learning: learning facilitated by technology and can be completed at any time, place and pace. Please contact us if you do not have access to materials needed.

What we are looking for:

- Using various methods to appeal to different audience/learner preferences that could be used digitally.
 - Selecting the key pieces of information that add the most value to the student.
 - Learning that can be achieved within 10 minutes.
 - Engaging and motivational content.
 - Consideration for the design aesthetic.
 - Opportunities for the student to interact with the learning.
 - Ability to test knowledge gained.
-

How to Apply:

Please complete the UCM online application form, submit this with your CV and scenario task by 12noon 19th August 2021 to learningcompany@ucm.ac.im

Interviews will be held at the Nunnery Campus and a date will be advised soon.
